Mr L S Hankla  
Dear Sir

I received  
your letter with the right  
two and a half dollar  
draft (\$82.50) a few  
days ago, and am very  
thankful to you for your  
kindness. I wrote to Uncle  
Bene some weeks ago  
that I thought it would  
be best for us both to  
have the same agent  
to attend to our business  
and that you was the  
man to do it, as you  
lived close to the place  
and could see and attend  
to it a great deal  
better than Almy could who

was some distance from  
it and never went about  
it, but I have not yet  
received an answer to my  
letter. I think you made  
a very good bargain with  
Mr. Bottema about the fence  
I am well pleased with  
it. What do you think  
the farm is worth, one  
half cash, and the balance  
in one, and two years with  
six per cent interest, and  
what do you think it  
would bring if put up  
and sold at auction on  
those terms, The reason  
I wish to know is, this  
I have a chance of buying  
a farm adjoining Williston  
where there is a good  
school all the time, and if

I had my part of the  
place up there in money  
I could pay for it very  
easy. Last week we had  
several days of splendid  
weather but yesterday and  
last night it rained & rained  
can't do any thing towards  
farming, The health of my  
family is as good as usual  
Remember me kindly and  
affectionately to all Hoping  
to hear from you soon

I remain Yours  
Respectfully  
W. C. King
