Mr L G Hankler

Dear Sir

I received
your letter day before yesterday
was glad to here from
you, was sorry to here
that Cousin Joe was in
such bad health, my
wifes health is better this
summer than it was last
year, though she is not
able to stand much yet,
I have no one living
with me this year if one
reason wd did not come
up, and then I have
to go over in the bottom
in a week or two.

I reckon Mr Bottoms can
have the place for another

year as I do not see
any chance of selling and
as long as I have it, it
will be for rent,

We have no news of
interest to write, we
have no yellow fever
this year Memphis is
said to be the healthiest
city in the U S at this
time. Love to all enquiring
friends, Has our taxes been
paid, Let us hear from
you occasionally

Yours
W. A. King

P.S.
If any one wishes to buy,
my half is worth twelve hundred
dollars Cash
