I am in rec^d your
letter of March 5th on my arrival at
home to day. I also rec^d a letter from
Cousin Aloy in regard to the division, and
have written to him to see you and
arrange to rent it out for this year, you
will do me a great favour by assisting him
in the matter, he writes me that him &
Sister have 42 acs of the place and
it would be an the place in Bad fix
to divide it, I wish you to see any
portion of it you may want. You have
married one of my dearest Cousins, and
there is nothing that I would not do
for her - I hope you will give her
my love & when I come to Kentucky I
will come to see you, I should like
to know what part of the place the
42 acs is laid off.

Yours truly
B. Williams
