Dear Sir

I do not know whether I answered your last letter or not, if I did not, I will write again, My wife has been very sick three or four times this Spring, she has not set up all day in three months, she is now improving, I have had three Doctors tending on her during the time, and they all agree that she should take a trip of some where to some Springs, she has been suffering with a disease

of the kidneys, she is now
using the mass, made
from the water of the
Bedford Iron Springs of
Virginia, it seems to
be doing her a great deal
of good, Write me whether
Robersons well has a good
effect on the kidneys and
liver, as I would like
to come up and spend
the summer with you
all, Write me what day
the stage leaves Michelsburg
for Harrodsburg, and whether
you will meet me at
Perryville when I come up
which will be in two or
three weeks at farthest,
I will bring my little girl
(Lillian) with us.

Corn, Cotton, wheat and Oats
I dont think I ever saw
them better, I am laying my
corn by now, a good many
are done laying by corn,
I see several tacks yesterday
and today, It is 1 O'clock
and I will close, and
get out to plowing,

Write soon and let me know
about the water and the
deigs the stage leaves Michelburg
Love to Cousin Nannie, and
all enquiring relatives, my wife
is another Mary Jane Brady,
(Mary Jane is her name).

ps Respectfully yours
W. A. King
Write me what that place is worth, and
about what I could sell it for.
WAK
