Mr L G Hankla

Dear Sir I received your letter a few days ago, glad to hear from you all, was very agreeably disappointed in the amount coming to me from Uncle Thomas's estate, send the amount just as you did that last winter, by a draft on Memphis. Enclosed I send you a receipt for same. We have all been in moderate health this fall, have a sick boy at this time, threatened with typhoid fever, dont forget to pay the taxes and pay yourself for your trouble, all send love to all the family

Yours truly  
W. L. King
