Mr L G Hankla

Dear Sir

I received
your letter with the draft
on Memphis enclosed
and also the receipt for
the taxes, and am
very much obliged to you
for your kindness,
with regard to the laces
past that are on the
place and which Mr
Bottoms is going to use,
I think our place has
need of all the timber
there is on it, and I shall
object to its being used
on some one elses place,
so you can tell Mr B
whether to burn them or

to use them on Aloys
place. Enclosed find
picture of our three
children Marion, James
and Willie It was taken
by a traveling artist and
is not a good picture,
All are well at this
time Love to all enquiring
friends

Your friend
