1920 Census: Gideon G Wood age 43 with wife Mary age 40 were living in Carrollton in 1920

from Mary J. Quinn 5/13/2004

Granville was the youngest of 9 children (Ellen, Herbert, Ethel, Pat "sadie", Ernest Annie, Roy and Granville plus one child who died before 1910) of Benjamin & Mary "mollie" Quinn nee Noel. Granville was living with his brothers and parents on the 1920 Census. He married Lillian G Williams on Aug 31 1920 in Carrollton witnessed by Fred Williams and Sallie Caldwell. Granville listed his age as 20 and Lillian was 16 with signed consent of her father. Her parents are listed as A.L. Williams and Susie Williams. On the 1930 Census, Granville was living at 32 Madison Street in Prestonville, Carroll County KY, he listed his age at that time as 29, divorced first married at age 19. He was living with son Bennie age 9 (? uncle Bill, maybe it was a nickname his grandfather would have been Ben). he was living next door to his sister Sadie, her husband Oscar Wiley and their 6 children. He died in 1949 and was buried with his parents (d. 1926 & 1927), his brother Ernest (d. 1914) and later his sister Ellen Quinn Taylor. They are buried at IOOF Cemetery in Carrollton KY.

With a little more digging I find also in the 1930 census

Osborn, John V age 28 first marriage at age 21

---, Lillian, age 26, first marriage at 19 (little fib)

---, Mary J, age 5

Williams, Betty, age 28, sister in law divorced.
