Park is hereby authorized to appropriate the proceeds of said farm for the benefit of my Daughter Mary Ann Park and my Daughter Sarah Harris, and in such a manner as said Park may think proper, reserving the right to himself the right to hold in his hands any money I may need during my natural life, that I would need during my natural life, and I do by these presents authorize said Park with full power to sell my farm at the expiration of 1872, if in his judgment he thinks it best to do so, or he may continue to rent it out, this I leave to his own decision or judgment, But in the event of its being sold or rented said Park is to appropriate the money as funds to my two Daughters as above stated.
