Alexander was described as being 6 feet tall, dark complexioned, black hair, and black-eyed. Alexander's widow, Charity and their son, Thomas, made the following statements on their application for widow's pension after Alexander died:

"I, Charity Herald, state under oath that the marriage record of myself to Alexander Herald was burned up in the clerk's office in the town of Jackson, Ky. The minister who performed the ceremony is dead. His name was James Guinn. I was married to Alexander Herald on the 28th day of August, 1859 and we lived together until his death on the 4th of April 1905."

Thomas Herald of Canoe, Ky., age 38, stated on May 18, 1906: "I was present at the death of my father, Alexander Herald. He died on 4/ 4/1905 at his residence in Breathitt Co., Ky. There was no doctor that attended him in his last illness. He complained of his head, eyes, and nose. He always said he had catarah of the head & nose. I lived in the same community all the time of his sickness and visited him daily."

Because of the general poor sanitary conditions under which Civil War soldiers served, it was told that when Alexander returned home from the war, his wife made him take a bath in a near-by creek and wash his clothes before he could come into the house.

"Tom Tete" Herald was killed by William "Big Berry" Turner, b.1853; who was md. to Orlenia Bowling. Orlenia is d/o (1) Bill Bowling & Matilda Deaton. Bill Bowling died and Matilda later md. (2nd.) George Belcher. (This info supplied by Charlie Burton, of Turner's Creek, long dead.)

The family of Tete Herald, including living grandchildren state thus:.. "Pap" ("Tete") lived for about two weeks after he was pushed off a high porch-rail bannister by old "Big Berry" Turner. (Wm. "Big Berry" Turner, who had 7 wives). Berry had denied that he pushed Tete, but all living family say that "Pap" had a good mind until the last. "Tete" told that Berry in fact, purposely pushed him over the bannister, and that he wanted his family to know if he didn't get well. His death occurred as a result of the fall, probably infection. Tete lived long enough to be baptised & get 'things' in order, and then died leaving a family to struggle without him. The family has always resented that Berry Turner never went to jail for the killing, as it was his word against no witness. (Info related by Viola Griffith-Herald. Viola's Aunt Martha (Arrowood), who md.Talbert "Little Tal" Turner, was present when "Pap" died and they said that Berry Turner need not deny the fact that he pushed "Pap", who later died.

Also, much work is still currently in progress. As many Turner's have been erroneously mixed up with these early Quaker ones, I believe serious researchers will have more answers in the future.

II.1. **Roger Turner, Sr., b.1689- d.1778 in Surry Co., N.C. Roger married Elizabeth _____. (The sources for her name are varied. Speculation is that she was a daughter of the Bryan family that was so closely associated with the Boone's & Turner's. I've see no document to support this. Also, it seems descendents in Mo. seem to believe her last name was EVANS. Marge Turner supplied data that lists F.S.A.(Fellow Genealogical Soc. of America) says she was also an EVANS. However, I've seen no source for this either. Help appreciated on this.)

From Maggie Hayes comes this info: "Notes on Roger Turner in .. "Virginia Magazine of Hx. & Biography":

In a diary kept by the Moravians, Leonard Schnell & Robert Hussey, they (sic Turner's) came down the Great Wagon Road to Opeckon, on 18 Nov., 1743, crossing the Patomac at William's Ferry, and en route to Jost Hite's...

"On the 19th we went to **Roger Turner, who md. the sister of Brother EVAN**, and lives 10 miles from here."

Or, was it Evin Davis, who lived adjoining Roger's land, that was his brother- in- law?

NOTE: Is this Bro. Evan a first or last name? There is an Evin/ Evan Davis associated with the Turner's at the time. Also, Edward Turner md. Ann DAVIS/ DAVIE.

Surry Co., N.C. Deed Bk. C., p.228, 22 Sept., 1784: Roger Turner to Toliver Davis, 300 lbs., 337 Ac., Turner's Creek, adjoining to the west side of Turner's land, **EVIN DAVIS**. Wit.: Samuel Bryan, Jr., Mary Bryan, Daniel Bryan.

After several years, the Turner's left the area and traveled with member's of the Boone, Bryan, etc. families. One of Morgan Bryan's son's, William Bryan, married Mary Boone, the sister of Daniel Boone. Wm. and Mary Boone- Bryan had a son named Daniel Bryan, b. 2-10-1758 in Rowan Co., N.C.; d. 2-28-1845 in Fayette Co., Ky.

Daniel Bryan married Elizabeth Turner, b.11/13/1761 in Rowan Co.; d.1/28/1832 in Fayette Co., Ky. She was the daughter of Roger Turner, Jr., who md. Catherine Scott & migrated to Fayette Co., Ky.

The Turner's and others traveled down .. "*the great wagon road*" into North Carolina. Most settled in the Bryan Settlement, which was made up of Morgan Bryan, Squire Boone (father of Daniel Boone), Wm. & John Linville, George Forbush, James Hughes, James Carter, and **Roger, Edward, and Thomas Turner**. Our Turner's were living near present day Winchester, Va. in 1747 and by 1752, they were in Rowan Co., N.C., just 20 miles west of the present Winston-Salem area.

In addition to the Will of Thomas Turner, Sr., being located in Frederick Co., Va., these persons were also located there before traveling into N.C. and establishing the Bryan Settlement: FREDERICK CO., VA. (Formed 1738 - 43 from Orange & Augusta Co., Va.):

Deed Bk. 1, p. 37 : 7 Jan., 1743; between Morgan Bryan & his wife, Martha. of Frederick Co. sells to **ROGER TURNER**, of same place, 125 Ac. for 5 schillings; part of a tract of Land Morgan Bryan received by Patent, dated 12 Nov., 1735. Between 1775-1761, the three Turner's obtained more than 2,000 acres of land on both sides of the Yadkin River, near the shallow ford and along the north bank of the Yadkin River. **Roger Turner, Sr's.** will is probated in Surry Co., No.Car. It names Elizabeth, his wife and his children and a grandson named Roger Turner, who is the son of Thomas Turner. Roger Turner, Sr. lived below **Turner's Creek** in the Yadkin River area. The land records in Rowan Co., No.Car., show that Roger Turner, Sr. received his land under land grants from Lord Granville, dated in 1775 and earlier. Much of the land seems to have been located south of Deep Creek, on Turner's Creek, which was several miles west of the Yadkin River.

Rowan Co., Court Records, July Court, 1763: Motion: It is ordered that a Waggon Road the Best & Nearest & Best way from the Shallow Ford upon the Yadkin River to the town of Salisbury, & the following Persons are appointed to Lay off, & mark the Same, to Wit.: Samuel Bryan, Morgan Bryan, James Bryan, **Roger Turner**,...Daniel Boon...**Thomas Turner** & accordingly they appear upon Notice & be Quallified be fore the nearest Majistrate for their Faithful discharge of their Office, etc.

received a Granville Grant for 575 Ac. on N.bank of Yadkin River below the mouth of Turner's Creek. (Rowan D.B. 7, pp.27-8). 4/7/1769, Roger Turner, Sr. sold Elias Turner 333 Ac. on S side of the Yadkin River below the mouth of Turner's Creek, part of the 575 Ac. grant. Robert Turner was a witness. (Rowan D.B.7, p.136) 4/7/1769, Roger Turner, Sr. sold Robert Turner 242 Ac. on S. side of Yadkin R., part of 575 Ac. Granville Grant. Elias Turner was witness. (D.B.7, p.173-75).

Item 2 : 6/1/1756, Roger & Elias Turner were witnesses to a land transaction for land brought by Marmaduke Kimbrough (Rowan DB 6, p., 234). 1/8/1762, Roger Turner, Jr. received a Granville Grant for 337 Ac. on Turner's Creek (DB 5, p.67-8) 2/10/1769, Roger Turner, Jr. and Elias Turner were witnesses when Marmaduke Kimbrough & wife, Mary, sold John Kimbrough 325 Ac. land (DB 7, p.130-31). NOTE: Mary was sister of Roger Turner, Jr., & Elias, and Thomas Turner, all CH. of Roger Turner, Sr.

Item 3: An indenture was made the **4th of March, 1768** between Marmaduke Kimbrough on one part, and **Thomas Turner, and wife Mary**, on the other part. They purchased for 150 lbs., 383 Ac. situated in St. Luke Parish on the SW side of the Yadkin River, joining Abram Creson's corner. The said Marmaduke Kimbrough and heirs, at the time of the sealing of those presents, assigns in manner the following: viz : .. " That the said Thomas Turner and Mary his wife at the time of sealing **Is and Standeth seized of an Indefensible Estate in Fee Simple of & in the premises and that they have good Right & Lawful Authority to sell & Convey the same...etc, etc.** See DB 7, Rowan Co.,pp.131-132. A memorandum was attached to the Indenture.saying that peaceable & Quick possession of the within granted land was taken from Thomas Turner by the said Marmaduke Kimbrough according to the form of the within written deed. The Memorandum was signed by J. (John) Kimbrough and witnessed by Elias Turner & Charles Burton.

Note from Jackie: (It appears Thomas Turner possibly acquired the land as an (An Indefensible Estate) heir, through his wife, Mary. (Isn't she is a Kimbrough and possibly daughter of Marmaduke ?), as Marmaduke Kimbrough got the land back. (See Copy of Deed in Document Section) There is some thought that this Mary was also Mary Taliafiaro, Gr. d/o Charles Taliafiaro, of Caroline Co., Va., but this all needs lots of work yet.)

Item 4: 29 Dec.,1760, Thomas Turner received a Granville Grant for 383 Ac.SW side Yadkin R. adjoining Abraham Creson (Rowan DB 7, p.25-6). **4 Mar., 1768**, Thomas Turner & wife Mary, sold Marmaduke Kimbrough 383 Ac.on SW side of Yadkin R. adjoining Abraham Creson (DB7, p.130-31).

Edward Turner received a grant for 243 Ac. E. side of yadkin R. on Lick Run (Rowan DB 4, p.403-4), no date given. On a List of Taxables summoned by Caleb Osborn in 1761, near the forks of the Yadkin R., Roger Turner, Sr. is listed (p.2609). On Morgan Bryan's list of taxables, Roger Turner listed, (p.2685). On undated list of Arthur Oneal, are Roger Turner, Roger Turner, and Thomas Turner. Marmaduke Kimbro's ESTATE is on Wm. Cole's list, p.2702. (SEE: Rowan County Taxables, No.Car. Genealogy, W.P.Johnson).

Item 5 : In '*Carolina Cradle*', the Moravian minister, Rev.Soelle, recounts his visits to the Moravians and the surrounding communities as he records in his diary: ... "visited Roger Turner, Jr. His wife, who was a daughter of Mrs. Robert Elrod by her first marriage, had been in poor health for seven years. Roger Turner, Sr., who was the oldest man in the neighborhood, at age 84 years, and is also blind. (the year is 1773)."

In April, 1771, Rev Soelle, relates that he... "went from Abraham Wilson's to visit his brother, James Wilson; and from there went to call on Johnathon Boone. He returned to Robert Elrod's, whose wife was a sister to Mrs. Roger Turner, Jr., to stay the night. "Records of The Moravians in North Carolina, Vol. 2, 1772- 1775", p.789 reads... "Spent the night at Robert Elrod's. They were elderly people. Mrs. Elrod was a sister of the wife of John Douthitt, Sr."

In the Salem Archives, 'Hope Church Book', Mrs. John Douthitt's maiden name was SCOTT. And, that Mrs. John Douthitt was born in Penn. and they moved to the Manakosy Settlement in Maryland before coming to North Carolina. Mrs. Robert Elrod, nee: Scott, was a widow when she married Elrod, her eldest daughter married Roger Turner, Jr. and the younger daughter married John Jones. No children of her second marriage are mentioned. Soelle states that Mrs. Elrod & her older daughter (Mrs. Turner) were particularly concerned about their (Younger daughter's) salvation. He also states that the "Old Mother" of the Robert Elrod's lived between them and the Yadkin River."

Note: Noting the year of 1771 as when the Robert Elrod's are elderly, and Mrs. Turner, wife of Roger Turner, Jr., is Mrs. Elrod's daughter. Mrs. Elrod was sister of Mrs. John Douthitt, and was born with maiden name of Scott.

Mrs. (SCOTT) Elrod- had 2 daughter's by her first marriage. The elder one married Roger Turner, Jr. and the younger one married John Jones (Johns), p.117.

Rev. Soelle died on May 4, 1773. Richard Utley then set out to minister to the homes of the area on July 23, when he headed to Deep Creek.

.. "July 25: Preached in Timber Ridge Meeting House, being accompanied thither by James Bryan, son of Morgan Bryan. Spent the night with John Bryan.

July 26: Rode with Col. Hunt to the home of George Lang, on Deep Creek.

July 28: Preached in Valentine Reese's house to about 200 people; called on **John Jones**; (Remember, Roger Turner, Jr.'s wife's sister md. John Jones). Spent the night with **Robert Elrod**.

This info came from the Bible of James M. Turner, b.11 3/1849, in Purdin, Missouri, recorded March 8,1912 in the family Bible and given to his daughter, Mrs. Jessie Turner Haley, the genealogy which is now in possession of Ruth Moore Brown- Peterson. Publ. 1965 by Elisabeth P. Ellesberry, Chillicothe, Mo.

ENTRY # 1: James M. Turner, b. Nov. 3, 1849 wrote this narrative based on family oral tradition and it is found recorded in the family Bible of his daughter, Mrs. Jessie Turner- Haley:

... "At the time of the War of the Revolution there was a family of twelve brothers by the name of Turner and I think all of them lived in the State of North Carolina. John, Wm., James, Jesse, Edward, Joel, and C. Turner. Nine of them joined the Continental Army. Some of them serving under Frances Marion. They had formerly come from Connecticut. The founder of the Turner family in the United States was said to be John Turner who came from England in the Mayflower and landed on Plymouth Rock.

John Turner, my great- grandfather, a son of one of Marion's men and a Baptist Preacher migrated from North Carolina with Daniel Boone and settled in Perry County, Kentucky in the early settlement of that country. His son, James Turner, enlisted as a soldier in the War of 1812

and was on the way to join General Jackson at New Orleans when the battle was fought.

His son, William Turner, my father, helped organize the 72 or 73 Regiment of the Missouri State Militia known as the E. M. M. at Springfield, Missouri in the summer of 1862 and was commissioned Major of the Regiment by Governor Gamble of Missouri. On the 8th day of January, 1863, he was severely wounded in Battle at Laurence's Mills 45 miles southeast of Springfield, Missouri.

Some months later, the Regiment was consolidated with some others and formed into the 16th Provisional Regiment of Missouri Calvary. On account of his age (about 50 years) and the wound he had received, he resigned his commission at Springfield, Missouri and returned home.

William Turner's son, Samuel Turner served as Regimental Quartermaster of the 16th Provisional Missouri Vol. with Comm. as First Lieutenant and member of General Sanborn's staff until the close of the war. Another son, Lee C. Turner, served as Corporal Co. H 8th M.S.M from Aug. 1863 until June 1865.

My narrative is based on tradition as handed down by the family as to its early history but the events of the last century can be established from the records of the Armies of the U.S."

ENTRY # 2 : These are hand written pages found in Dr. Roy Haley Sr's wife's Bible. His wife is Jessie Alice Turner. The Bible is in Possession of Chester Hoover, Laclede, Missouri:

.. " Jessie Alice, daughter of James M. Turner, b. Douglas Co., Mo., Nov.3, 1849 and Hannah Elizabeth Martin, born Morgan Co., Indiana, Feb.10, 1853, a daughter of William Martin, born in Morgan Co., Indiana, and who died April 3, 1864 , a son of William Martin, Sr., born in Virginia.

Hannah Martin's mother was Susannah Specklemyer, born in Boone Co., Indiana, 1826, died October, 1855, in Morgan Co., Indiana, daughter of Abraham Specklemyer, born in Germany, and his wife Charity Thompson, her date of birth and death not known.

James M. Turner, son of William Turner and Hannah West. William Turner was born in Perry County, Kentucky, Jan. 8, 1814 and died in Linn County, Missouri, March, 1885. Hannah West was the daughter of William West and Mary Pennington. William West was born in North Carolina in 1768 and his wife in Virginia, 1770. They were among the early settlers of Clay County, Kentucky.

William Turner was the son of James Turner and Mary "Polly" Baker. James Turner was born on the Yadkin River in 1790, and died 1862. Mary Baker was born in North Carolina about 1794, died Douglas

County, Missouri, 1882. She was daughter of Robert Baker of North Carolina and Lyddia Hammond, of North Carolina. Lyddia was daughter of Isiah Hammond of North Carolina, a soldier in the Continental Army.

James Turner was a son of John Turner born about 1768 in North Carolina, died Ozark County, Missouri, about 1840, son of one of nine brothers who served in the Continental Army. I am not sure which one."

This ends Bible Record / Account of James M. Turner, 1912.

William "Big Berry" Turner was not always well thought of by others. However, I'm sure he must have been charming in some ways. After all, he had 7 wives and 19 children ! Regardless, it was Wm. "Big Berry" Turner who killed Thomas T. "Tom Tete" Herald. Tom Tete and his wife Polly "Aunt Pop" Turner, lived at the mouth of Lick Branch. See p.10, 12 # I.2.6. and p.62, # I.2.6.6.(under Herald) for the account of the killing of Tete.

II.1.1.4.1.2.7. Mary "Mollie" Turner, b.1846 on 1850 & 1860 Cens.; d. ca. 1866-70, after being kicked by a horse and just before her wedding.

Annie Herald, d/o Rev. Rob Herald & Rutha Turner, says she well remembers her grandmother, Rachael Turner- Herald. Rachael & Buck Herald used to keep a lot of old family things up in their attic. One

thing Annie remembered well was a fancy wedding dress. It was very fancy for the times & money available then. She said the family always told them that the dress belonged to, Mary "Mollie" Turner, Rachael's sister. Annie couldn't even remember the man's name Mollie was going to marry. But Mollie had an accident and died after being kicked by a horse and was never married. The dress stayed in Rachael & Buck's attic for years and no one seems to know now what happened to it.

- a. Mary Turner, aged 3 months on 1870 Cens.
- b. William Turner
- c. Rachael Turner, b.1878
- d. Ellis Turner, b.1880

II.1.1.4.1.2.10. Rachael Turner, b. 20 July, 1850 (She was aged 19/ 1870 Census & on the 1900 Cens., she gave her birth date as July, 1850.) ; d. 3/9/1933; md. 2/27/ 1878 to Wm. "Buck" Herald. There was an error on the tombstone for Rachael. Martha Turner said that when the old stones got so bad you could hardly read them, they had new ones made. The date that had been on there of her birth was just reused. They have no idea who gave the information or when, but it isn't the same as in the family records, Arminda Herald- Turner's information, or the Census. Rachael was always older than Buck Herald & sometimes tried to narrow the gap between their ages. Needless to say. Rachael is d/o Thomas Turner & Mary Johnston. See Herald for Details of their family.

Rachael Turner was raised by her two "Aunts", both called "Old Gal" and the two were sisters. The 'Old Gal's' were named Nancy Turner & Elizabeth "Betty" Turner. These sisters were daughters of Edward "Ned" Turner & Sarah Buttrey. The Old Gal's lived on the old Edward Turner homeplace, until Nancy married at age 50, in the year 1879. They lived together in their father's old place just up behind where the Macedonia Church is now. It is also where the old Edward Turner Cemty. Is, where Edward & his wife are said to be buried.

After Nancy md. Daniel Griffith, at age 50 yrs., Betty then went to live with Buck & Rachael Turner-Herald, whom the two sister's had raised, after her mother, Mary Johnston- Turner died in 1853.

Wilburn Herald, s/o Sigel Herald & Martha Raliegh, who lives at Batavia, Ohio, relates the names of the two 'aunts' as Nancy & Betty, also when asked about his Grandmother Rachael Turner .

Martha Turner, of Jackson, Ky., says these aunts were the daughter's of Edward "Ned" Turner & Sarah Buttrey. See 1850- 60 Census. Rachael is living in Household of Sarah Buttrey- Turner.

Also Sources are Census & Vital Stats of Brthtt. Co., as well as old, reliable family sources. Arminda Herald, d/o Rachael & Buck Herald knew their family well. She was very knowledgeable about the family history. She knew Rachael to be d/o Thomas Turner & Mary Johnston.

(1) David Akeman, was a well known Grand Ole Opry Star, named "**Stringbean**". He also played on the Midwestern Hayride & Hee Haw for many years. (Source : Betty Turner- Holbrook).

About 1934, David was discovered in a talent hunt by a radio station in McKee, and nicknamed "Stringbean." Dave liked to hunt & fish. On the night he was murdered, he had come home early to get ready for a hunting trip. He surprised some robbers in his house, and both he & his wife were killed.

II.1.1.4.1.6. George Turner; no info on him.

II.1.1.4.1.7. Nancy "Old Gal" Turner, b. 1829; md. 18 Sept., 1879 to Daniel Griffith, b. 1839, who was aged 40 yrs. at the time of their marriage & she was 50 yrs. old. Nancy & her sister, Betty, were both called "OLD GAL's" by all the nieces & nephews & cousins. No Ch. Of her own. Their brother, Humpy Tom's daughter, Rachael Turner, was raised by these two "Old Gal's" after Mary Johnston- Turner died in 1853.

II.1.1.4.1.8. Elizabeth Betty "Old Gal" Turner, b. 1831 in Ky.; Never md. These two aunt's raised Rachael Turner, who married Buck Herald, after her mother, Mary Johnston- Turner died in 1853. They lived up the hollow, just off the Middle Fork. The old house sat on Old Edward

Turner's original land grant. The homeplace was up behind where the old Macedonia Church now sits. The house was just off from the Cemty.

The two "Old Gal's" lived together by themselves in the old Edward Turner homeplace all their adult lives. These two sisters were very close and quite attached emotionally to each other. They were so attached, that when one of them went someplace or went to do something, the other one would do it too. Martha Turner said that after Nancy Turner married Daniel Griffith, Aunt Betty probably didn't take it too well. Anyway, 'Aunt Betty' then went to live with Rachael Turner & Wm. Buck Herald for the rest of her life.

II.1.1.4.5.8. Elizabeth "Betty" Turner, b.1831 ; said she was only raised by Ned Turner. Never md. See p. 162. It appears she is actually the daughter of Edward Ned Turner & Sarah Buttrey, being born when Sarah was 44 yr.old. I don't know the source of this info, but it is listed in earlier researchers as making Betty a d/o Roger Turner, Jr. She is in fact a d/o Edward "Ned" Turner & Sarah Buttrey. Betty's sister was Nancy Turner, b. 1829. These 2 old maid sister's lived together on the old homeplace of Edward Turner, over on the Middle Fork of the Ky. River. Finally, sister Nancy, one of the.. "Old Gal's", got married at age 50yr., in 1879, to Daniel Griffith. Betty then went to live with her niece, Rachael Turner who was married to Wm.Buck Herald, and lived there until she died. The "Old Gal's" are buried at the Old Edward Turner Cemty. there behind the Macedonia Church on the Middle Fork.

II.1.1.4.1.9. Boyd Turner, b. 1833; md. Delitha _____, b. 1822 in Perry Co., Ky. Boyd & Betty Turner are CH. of Ned & Sarah Buttrey & NOT CH. of Roger Turner, Jr. & Ellis Sebastian.

The family believes that the two "Old Gal's" are buried in the old Edward Turner Cemty. (now just up behind where the Macedonia Church sits) is where Edward Turner & wife are buried, because it is called by the older people, the Old Edward Turner Cemty. Thomas "Humpy Tom" Turner, left the area after his wife died & children grew up & went to Illinois. Family tradition has it that he died out there and was buried there somewhere.

Much of this information was supplied by Arminda Herald, the only daughter of Wm. Buck Herald & Rachael Turner, long before her death.

I have no documents of proof of Edward being son of Roger Turner, Jr. The Source of Info is: Asberry Johnson Interviews/ Papers as told to Joel Stamper, his son-in-law, in early 1900's. Also written Papers of A.B.Burns from early 1900's.

So..I am including this info because so many in Breathitt Co. may have more info on these than I do, and because so many families and oral traditions believe it to be. I would appreciate anyone sharing the documents they may have./ Jackie.

II.1.1.4.1. Edward "Ned" Turner, Sr., b.1781 & md. **Sarah Buttrey,** b.1787, d/o Timothy Buttrey & Mary Allen of Wilkes Co., N.C.

Edward served in War of 1812, under Captain Ambrose Carlton's Company, of the North Carolina Militia. It was a detached Militia from Wilkes Co. The Muster Roll shows that Edward was enrolled from Feb. 19, 1815 to March 7, 1815. He was paid for his service at the rate of \$8.00 per month. He recieved. \$5. 06 for 19 full days of service. He enrolled at Wilkesborough, N.C. and rendezvoused at Wadesborough, N.C. on the 28th Feb., 1815, at which place he recieved orders to return with his Company on March 1, to the place of residence, where they arrived on the 9 March, 1815 and were discharged.

In 1817, a few years after the close of the war, Edward & his family migrated into Ky., with other's of the Turner & Herald families. They settled near the mouth of Long's Creek, in Brthtt. Co. On 4 March, 1837, Edward bought 50 Acres of land in Perry & Clay Counties, on both sides of the Middle Fork of the Ky. River. His land grant covered the area on the Middle Fork, where the Macedonia Church now stands. The old homestead was just up behind the Church . The cemetery, appropriately called : The Old Edward Turner Cemty., is just off to the side of the old homeplace. It was here Ned & Sarah are said to be buried. It was also here where their two daughter's. the one's called .. "Old Gal's" lived in the old house, until Nancy married at age 50 yrs.

II.1.1.4.1.1. John R. "Rooster" Turner, b. 1809 in N.C.; md. & Jane Becknell, b. 1809 in N.C., d/o Henry Becknell & Jennie Clark. They lived on the Middle Fork of Ky. River & raised 12 CH.:

a. Henry Turner; b. 1828; md. Elizabeth Stone. A.B. Burns, in early 1900's, named her a d/o Berry Stone, b. 1831. Henry & Elizabeth are parent's of William "Big Berry" Turner. *N.B. Some researchers say she was Elizabeth May, d/o Wm. May & Sally Lynden. I don't have any info on this, so it is up to those interested to find out. I suspect that from the nickname of "Big Berry" given to Wm. Turner, it's quite possible he was gr. son of Berry Stone.

They moved to Ky. along with their parents. Betty Holbrook-Turner says that though several children were born to Jennie & Sam Spicer, it is believed that only 2 survived the harsh life of the mountains in those early days.

Samuel Spicer owned many acres of the best farm land in Breathitt County and many slaves as well. Their family tells that Samuel Spicer drowned on a cold Winter night in Dec., 1849, in the Middle Fork of the River. He had been to a cornshucking across the river and while trying to

get back home in his canoe, he drowned. He was found shortly after with his foot caught in a tree limb in the shallow waters where he died.
